

Dear referee:

- Please send your recommendation letter to the address below (e-mail or postal mail).
- E-mail subject should be “CFR recommendation_XXXX”, where XXXX is the family name of the applicant. We appreciate if you could name the file as described below.
- We prefer reference letters written in English but will also accept letters in Japanese.

How to name your recommendation letter file

Start with “CFR”, followed by the following components, each separated by underscore “_” : “applicant’s family name”, “applicant’s one character initial”, “referee’s family name”. If the applicant’s name is “Gregor Mendel”, and the referee’s family name is “Darwin”, the file name should be “CFR_MENDEL_G_DARWIN”. Please add file extension (e.g. “.pdf”, “.doc”) as appropriate.
