

# How to Sort and Dispose of Household Garbage

Garbage must be placed at your designated collection sites by 8:00 a.m. on your scheduled collection day.

Garbage collection schedules of each items are based on your address.

2021

## Burnable Garbage

Twice  
a week

Every **Wednesday & Saturday**

You must use garbage bags designated by Mishima City.

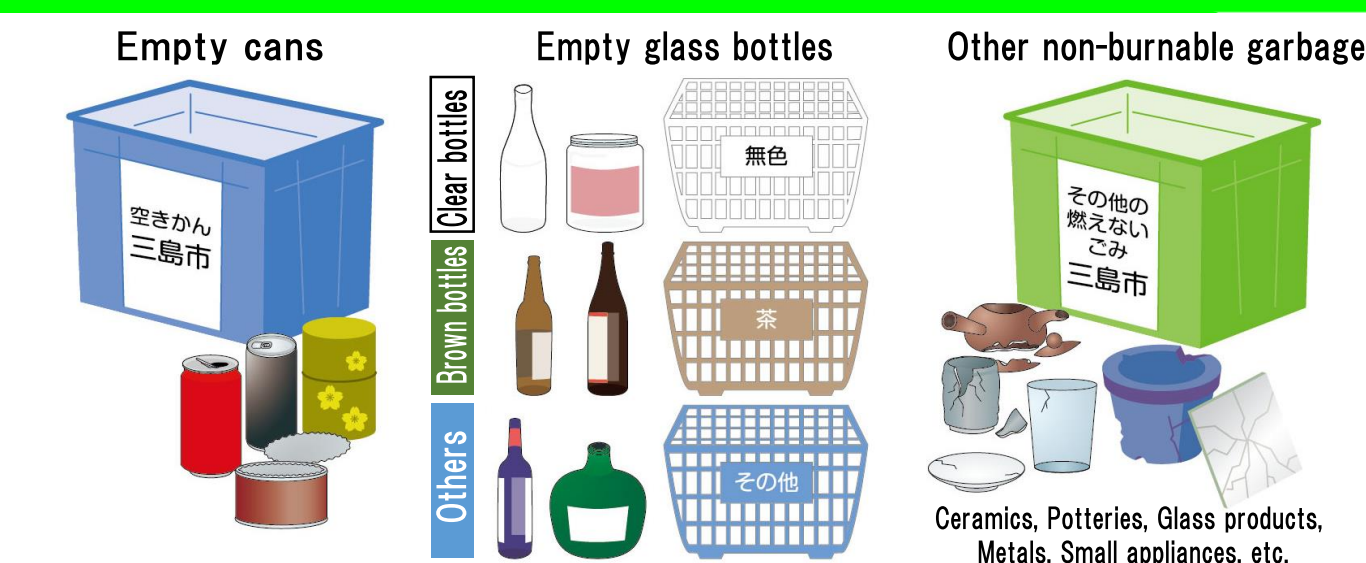

- Kitchen waste must be drained off any excess water.
- Must be 30cm or less on one side.  
Note: Folded or rolled garbage less than 30 cm in length CANNOT be disposed.
- Tree branches (cut garden trees) of less than 50 cm in length and 10 cm in diameter can be placed at your collection sites.  
Note: Please tie the branches into a bundle with strings.

## Recyclable Refuse

Twice  
a month

The **1st & 3rd Friday** of every month

They must be placed in the designated containers at your collection sites.

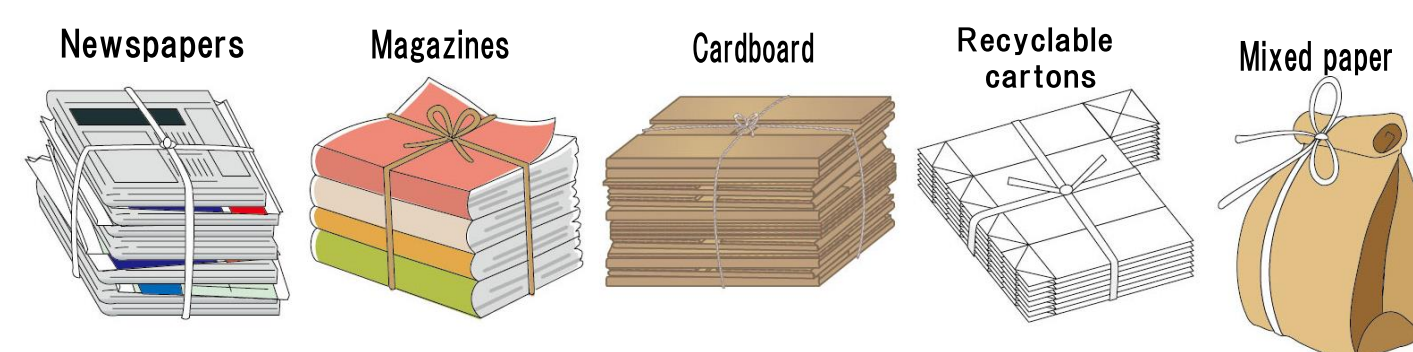

- Cans and bottles need to be emptied and rinsed clean.
- Plastic caps are "Burnable garbage." Metal caps are "Other non-burnable garbage."
- Spray cans are "Dangerous garbage".
- "Other non-burnable garbage" must be less than 50 cm on one side.  
Note: They can be disposed if folded or rolled up to less than 50 cm on one side.

## Recyclable Paper

Twice  
a month

The **2nd & 4th Friday** of every month

- Recyclable paper excepting Mixed used paper must be tied up together with twine. (Please do not tie them up with plastic strings or gummed tape.)
- Mixed used paper can be placed in paper bags or transparent plastic bags.
- We would appreciate if you could avoid rainy days to recycle paper.

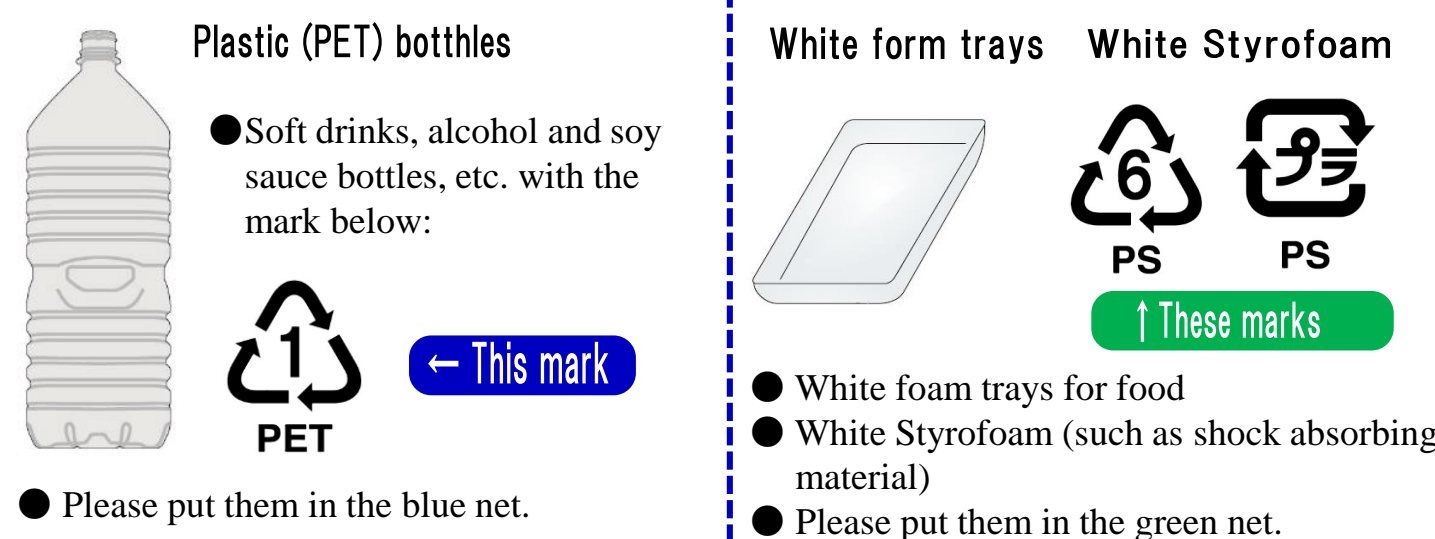

- Mixed paper: All paper except newspapers, magazines, cardboard, and recyclable cartons. Examples: paper bags, wrapping paper, envelopes, photographs, and other paper products, such as shredded or torn pieces of paper.
- Paper with vinyl, aluminum foil, paper clips or metal fittings CAN be recycled.
- Extremely dirty paper, paper soaked in oil or water or paper with strong odor must be sorted into "Burnable garbage".

## Plastic(PET) Bottles White Form Trays White Styrofoam
