| New User Registration | Application | Waiting for the Result | Change of Collaborators/Participants (after the start of research) | | Progress Report |

APPLICANT

New User Registration

Register your email address and password from "Account Service" screen. Only those applied as Research Representatives in former JROIS can use the same account. Others are required to create a new account.
↓
After registration, an email "New user registration" will be sent from JROIS.
↓
Click the URL on the email to complete registration.
↓
After your first log in, "Edit User" screen will be appear, so please register Display Name, Contact tel number and Organization or "Personal".

Application

Click "Apply" of an appropriate subject in Offer List.
Input the items below on "Edit Application" screen.
・Title ・NIG representative ・Dept. of Coordinator ・Coordinator's email address

Upload your application on PDF・DOCX・ZIP. Check "I've checked the application attachments." and press "Submit".
↓
Your application is complete when you receive an email confirming that your application is received.

Waiting for the Result

Receive Acceptance / Non-Acceptance notification

Change of Collaborators/Participants

If the research representative's organization or position has changed, please change register information on the "Edit User" screen on JROIS. In the case of change on affiliation, a written approval from new organization should be submitted.

If there is a change in the Research Group (change of research rep., add/remove of joint research member, or change in joint research member's organization or position), submit addition/ change form (only in Japanese) thorough the NIG representative immediately.

Progress Report

Input FOR MEXT Report on the "Edit Application" screen.

Upload your Research Report in PDF・DOCX・ZIP format from the same screen for submission.

Submit the papers if you have.

Registration → 《email》 Completion of registration → Upload and Submit the application → 《email》 Application acceptance notice → 《email》 Acceptance/ Non-Acceptance notification → Online editing → Add/Change from NIG representative → Upload and Submit → 《email》 Acceptance
